About Us

Nestled on the north Cornish coast, Blossom & Kelp is a multi award-winning floral design studio specialising in weddings, events, and immersive floral installations. Proud recipient of the National Wedding Florist of the Year award 2026, I create bespoke arrangements tailored to your unique celebration.

Bringing a background in fine art and design together with over a decade of floral expertise, I craft flowers that are tailored to your vision and personality, all infused with my signature 'wild Cornish' aesthetic.

Every design is intentionally curated to be effortless seasonal and naturally wild with a gentle sense of movement, texture and an organic Cornish feel. All flowers are sourced as locally as possible from trusted Cornish and British growers.

Whether you envision a romantic bouquet bursting with garden roses, dahlias, and fragrant herbs, or a coastal inspired arrangement, featuring agapanthus, eryngiums and seaside foliage, your wedding florals are thoughtfully selected around the finest blooms of the season.

I offer relaxed consultations both online, over the phone and in person, giving us dedicated time to explore your ideas, color palettes, and mood boards.

Get in touch, I'd love to chat all things flowers with you!

The process of booking

Initial enquiry & deposit

Once you have made an initial enquiry, I offer a free consultation to chat through your ideas, get a feel for your style, and discuss the types of arrangements you'd love. To secure your date, I ask for a £100 deposit, which will be deducted from your final balance.

Detailed Proposal

Once your deposit is received, I'll create a personalised mood board featuring your ideas, colours, and a detailed quote. You'll have plenty of time to make adjustments and we can refine your flowers and designs right up until your final invoice. Feel free to share any inspiration images, fabric swatches, or Pinterest boards too... I absolutely love seeing what inspires you!

Final Details

Your final invoice will be issued one month before your wedding, with a last check-in to confirm every detail.

Installation

After communicating with the venue, planners and other suppliers, my team and I will personally deliver and set up everything at your venue on the morning of your wedding, and will return later (at a time that suits you or the venue) to take everything down.

A HUGE thank you for the most beautiful flowers I have ever seen in my life! They make me cry just thinking about them and I never thought that they could be THAT amazing. Thank you from the bottom of my heart.
You could not have arranged something more perfect or beautiful, from the bouquets to the button holes to my awesome flower crown which I did not take off, (even after swimming in the sea!)
I'll never forget them, I don't think anyone will as they were the talk of the wedding! You did such a great job I can't even tell you and I will be happy recommend you to anyone as I honestly have never seen flowers more beautiful. Thank you so so much, you're such a star and the most amazing florist...
Lots of love and appreciation,

Wow! What can I say, the flowers were absolutely beautiful, I loved them. Everyone complimented on the flowers and how stunning they looked. I can't explain enough how happy I was with them.

Ryan & I would like to say a huge thank you for our wedding day flowers, they were like nothing I had ever seen before and far more beautiful than I could have imagined.

The bridesmaids were really wowed too, and that was all before we had even seen the room decorations. You did such an amazing job. It was absolutely perfect.
