About Us

Blossom & Kelp is a wedding and events florist nestled on the north Cornish coast specialising in weddings, events and floral installations.

With a background in art and design, Rachel creates flowers that are completely tailored to you — your style, your theme, and your personality — all brought together with her signature 'natural chic' touch. Every arrangement is naturally beautiful, seasonal, and sourced as locally as possible from trusted Cornish growers.

Whether you're dreaming of a wild bouquet bursting with garden roses, dahlias, herbs, and foliage, or a coastal-inspired collection of agapanthus, eryngiums, and seaside-loving greenery, your wedding flowers will be thoughtfully designed just for you, using the best and freshest blooms the season has to offer.

Consultations are available online or in person before your big day, giving you plenty of time to share ideas, colours, and inspiration.

Please don't hesitate to get in touch, we'd love to chat all things flowers with you!

A HUGE thank you for the most beautiful flowers I have ever seen in my life! They make me cry just thinking about them and I never thought that they could be THAT amazing. Thank you from the bottom of my heart. You could not have arranged something more perfect or beautiful, from the bouquets to the button holes to my awesome flower crown which I did not take off, (even after swimming in the sea!) I'll never forget them, I don't think anyone will as they were the talk of the wedding! You did such a great job I can't even tell you and I will be happy recommend you to anyone as I honestly have never seen flowers more beautiful. Thank you so so much, you're such a star and the most amazing florist... Lots of love and appreciation, Charlee x '

Wow! What can I say, the flowers were absolutely beautiful, I loved them. Everyone complimented on the flowers and how stunning they looked. I can't explain enough how happy I was with them.

Ryan & I would like to say a huge thank you for our wedding day flowers, they were like nothing I had ever seen before and far more beautiful than I could have imagined.

The bridesmaids were really wowed too, and that was all before we had even seen the room decorations. You did such an amazing job. It was absolutely perfect.
